FHA/HUD loans are available for a wide range of multifamily and healthcare assets, including both market rate and affordable properties. These loans provide some of the most aggressive rates and terms in the market, which can generate maximum proceeds along with significant debt-service savings for borrowers.

We guide first-time FHA borrowers through the unique challenges of the loan process and expedite it for those who are more familiar with FHA financing.

The Northmarq Advantage

Dedicated Team of Experts

Our in-house team focuses solely on FHA transactions and brings a rare depth of knowledge and experience in FHA/HUD lending.

Fully Licensed HUD Lender

We are a fully licensed FHA lender and approved GNMA seller/servicer capable of submitting applications under all MAP and LEAN programs.

National Platform

We are active in all regions across the country and have cultivated strong, valuable relationships with FHA staff in each regional office.

With You for the Life of Your Loan

We service all FHA loans in-house for the life of the loan, regardless of size.

Production Managers

David Schmidt

Senior Vice President, FHA Production Manager
972.941.3406 | dschmidt@northmarq.com

David serves as an FHA Production Manager for Northmarq and has made a career in the commercial financing space spanning over 30 years, 15 of which have been focused on FHA production. David has been involved in closing more than \$2 Billion in FHA financing.

James Hillhouse

FHA Production Manager
303.831.9480 | jhillhouse@northmarq.com

James serves as an FHA Production Manager for Northmarq and has worked with the FHA group since joining the company in 2011. During his tenure, James has been integral in closing more than \$800 Million in FHA financing.
